719-589-2649

Utility you are applying for: WATER SEWER

Property Owner's Name _____

Property Co-Owner's Name _____

Service Address: _____

Mailing Address: _____

Phone Number: _____ Email: _____

Location of property within the East Alamosa Water and Sanitation District (Give Lot Number, Block Number, Name of Subdivision, or other description of property to be connected to the system)

Water Service Connection Fees:

Residential Water Tap Fee	\$3,072.25
Commercial Water Tap Fee	\$4,608.38
Meter & Appurtenances Costs	_____

Sewer Service Connection Fees:

Residential Sewer Tap Fee	\$3,072.25
Commercial Sewer Tap Fee	\$4,608.38

1. The Tap Fee and Meter Cost includes the physical installation of the service line from the water main to the property line and the installation of one meter, meter pit and all appurtenances.
2. Applicant is responsible for installation of water or sewer line from their structure to the Main Line.
3. Engineering Plans or a Statement from a Qualified Professional must be included with Application before approval from East Alamosa Board of Directors. Plans should specify the approximate location of the service line coming from the structure and confirmation of sufficient grade and elevation as pertains to wastewater lines.

4. This application must be submitted in person by one of the named owners of the property for which services are requested.
5. Tap Fees are due at time of application. Meter & Appurtenances costs will be billed upon installation.
6. All Engineering costs that may be incurred by EAWSD in the study of plans submitted by the applicant will be the responsibility of the applicant.
7. Multi-unit residences will be assessed Tap Fees based on the District's Engineer's recommendation.
8. For additional information and EAWSD policies, please refer to the Rules & Regulations on the District website at eastalamosaws.org.
9. This may not be a complete list of all fees involved. Road cuts, permits, commercial plumbing companies and contractors may result in additional charges.
